Parts List

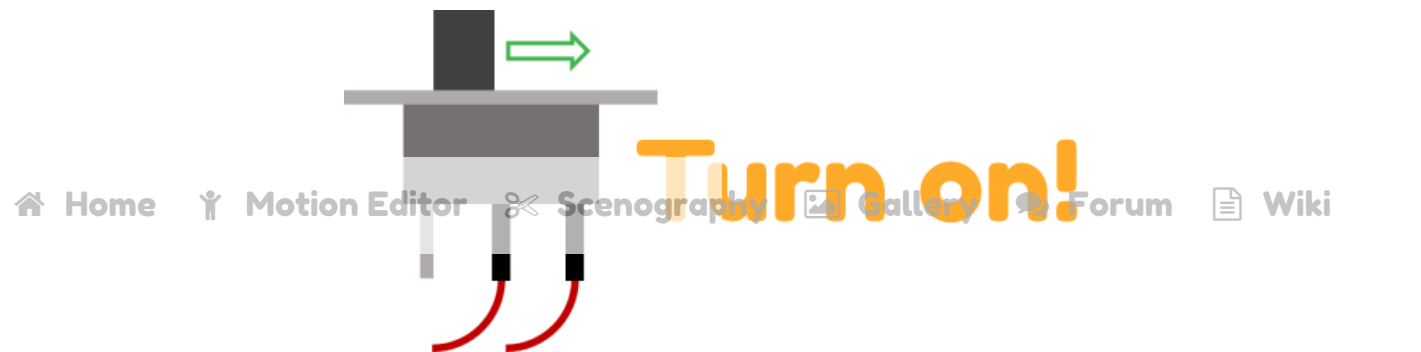

Parts list of the humanoid is enumerated below.

Name	Q'ty
servo_horn.stl [https://github.com/plenprojectcompany/PLEN2/blob/master/stl/servo_horn.stl]	4
Fineshed Arm	2
Fineshed Leg	2
Fineshed Body	1

Assembling Process

Attach a Fineshed Arm

Attention!: Before to merge the parts, you should connect servos' cables and the control-board. When it was completed, please turn on both switches and keep the status. [See also...](#)

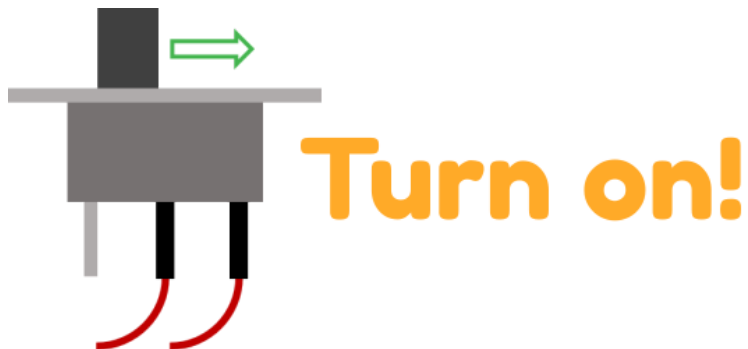

Attach a servo-horn to 160[mm] servo. At that time, please check it is placed approximately parallel to edge of the servo.

Attach a Fineshed Leg

Attention!: Before to merge the parts, you should connect servos' cables and the control-board. When it was completed, please turn on both switches and keep the status. [See also...](#)

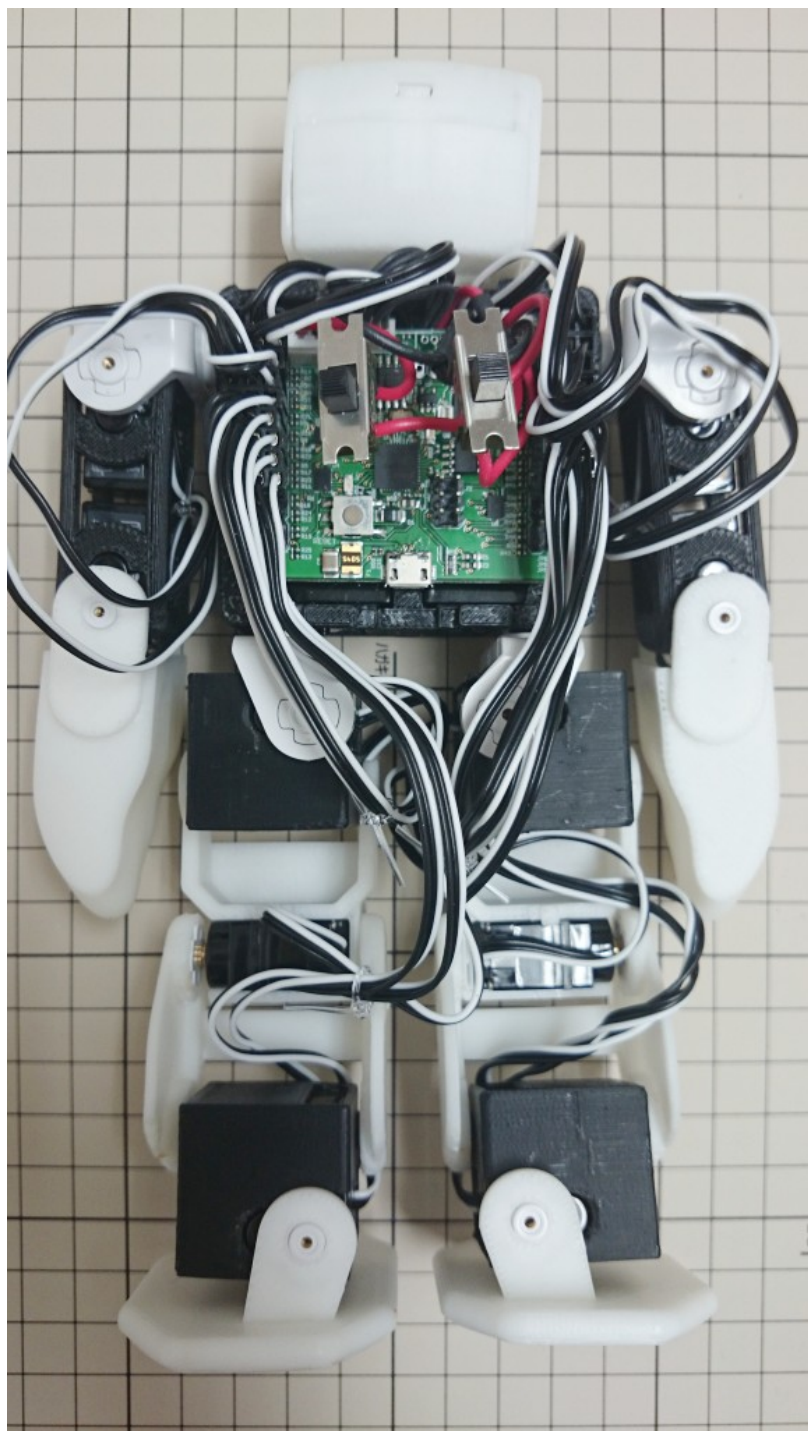

Attach a servo-horn to the thigh. At that time, please check it is placed approximately parallel to edge of the servo.
